Greetings in Christ,

En este mes de noviembre, seguimos orando por todos nuestros queridos difuntos. Pedimos a Dios que les de paz y que nos reciba en gloria. Nos acercamos a María en nuestro sufrimiento, porque ella sufrió también la pérdida de San José y Jesús, y conoce bien nuestro dolor. Está cerca de todos los que están doloridos. La iglesia también está cerca. Pero, también nos alegramos porque tenemos esperanza. Cómo dice San Pablo en su carta a los romanos:

La esperanza no defraudá porque Dios ha infundido su amor en nuestros corazones por medio del Espíritu Santo.

Estamos bendecidos de tener esta esperanza.

We continue, through this month of November, to pray in a particular way for all of our beloved dead. We ask God to grant them peace and receive them into glory. We turn to Mary, who knew the loss of Joseph and Jesus, to show us her motherly care and to comfort us in our sorrows. She is close to all who mourn, as is the Church. Also, we rejoice, because as Saint Paul tells us in his letter to the Romans:

Hope does not disappoint, because the love of God has been poured out into our heart through the Holy Spirit that has been given to us.

We are blessed to know this hope.

+ANOSTING OF THE SICK+

WHEN SHOULD I RECEIVE THE SACRAMENT?

Christ’s ministry on earth has always included care for the sick and suffering—while he walked on earth, and since then, through the Church. Since the beginning of Christianity, believers have experienced healing and forgiveness in their care for the sick: “Are any among you sick? They should call for the elders of the church and have them pray over them, anointing them with oil in the name of the Lord. The prayer of faith will save the sick.” James 5-14-15

When might you be in need of the sacrament of the sick? You may wish to receive the sacrament before a major operation or surgical procedure, during ongoing treatments for serious illness, or when decline caused by aging or a degenerative disease is advancing. This sacramental celebration is to provide an extraordinary support to baptized believers who are going through a situation that might cause a crisis of faith. It should be respected as a rite of healing for the seriously ill, for those who need this kind of special help of God’s grace.

• UNCIÓN DE LOS ENFERMOS +

¿CUÁNDO DEBO RECIBIR EL SACRAMENTO?

El ministerio de Cristo en la tierra siempre ha incluido el cuidado de los enfermos y los que sufren, mientras caminaba por la tierra y, desde entonces, a través de la Iglesia. Desde el comienzo del cristianismo, los creyentes han experimentado sanación y perdón en su cuidado por los enfermos: “¿Alguno de ustedes está enfermo? Deben llamar a los ancianos de la iglesia y hacer que oren por ellos, ungándolos con aceite en el nombre del Señor. La oración de fe salvará a los enfermos”. Santiago 5-14-15

¿Cuándo podría necesitar el sacramento de los enfermos?

“Es posible que desee recibir el sacramento antes de una operación mayor o un procedimiento quirúrgico, durante los tratamientos en curso para enfermedades graves, o cuando la disminución causada por el en-

PARENT - TEACHER CONFERENCES HELD AT OUR LADY OF GUADALUPE SCHOOL

We have completed one quarter of the 2021-2022 school year! We were pleased to spend many hours during the afternoon and evenings of the week of October 25 meeting with the parents of our students. Usually these meetings occur in person and our hallways are always full of excited children and their parents as they receive their report cards and hear good things about school work and behavior.

This year the pandemic caused us to change our methods. All conferences were held virtually through the magic of ZOOM, GOOGLE MEET, and the old fashioned telephone. Our teachers and our parents met online or on the phone to have those serious, but pleasant, conversations about school progress, friendships, social skills, and all things about going to school at Our Lady of Guadalupe.

This year we have 206 children enrolled and we love each of them. We are always so proud of their work, their cooperation, their leadership, their prayerfulness, and their kindness. We appreciate the support we feel from their parents and are grateful for the trust they place in us. Let us all pray that one day soon our world will return to normal and it will be safe to return to our in-person school activities.

May God continue to bless the Our Lady of Guadalupe Family.
For those of Mexican heritage, November 2nd means celebration of el Dia de Los Muertos, or “Day of the Dead”. Many join All Saints and All Souls together, first visiting the graves of babies and children on All Saints, since they are santitos (little saints) or angelitos (little angels). Flowers, their favorite toys, favorite music, and so on, are taken to them. The following day, they spend time- some of them all day, at the cemetery with their loved ones, who have died. From the ancient customs of the Indians, the families pray and talk with them, and take them their favorite foods. The dead are not feared, but deeply loved, and this joyful family feast points both to age old customs and Resurrection faith. There is a mocking of death as people make candy skeletons, and pan de muerto (bread of the dead), and consume them in a kind of role reversal.

One of the customs is to build an altarcito (little alter) where one places mementos and pictures of those who have died. There are also favorite foods, candles, statues or pictures of saints, books and Bibles.

Para aquellos de descendencia mexicana, noviembre 2 es la celebración “Del Día de Los Muertos”- Muchos se unen con todos los Santos y los Fieles Difuntos en conjunto, su primera visita es a las tumbas de los bebés (santitos) o ángeles (angelitos). Les llevan flores, sus juguetes favoritos, música favorita. Al día siguiente, algunos de ellos pasan durante todo el día en el cementerio con sus seres queridos que han fallecido. Desde las antiguas costumbres de los indios, las familias oran, hablan con ello y les llevan su comida favorita. Los muertos no son temidos, porque son personas amaba profundamente, y esta fiesta familiar feliz muestra tanto las antiguas costumbres y la fe en resurrección. No es una burla a la muerte la gente hace esqueletos, dulces y pan de muerto y los consumen en una especie de inversión de roles.
